ILLINOIS MINERS GATHER AT PEORIA district No. 4.

Peoria, III., March 16-Anticipating a battle with what they describe as radical elements, the officers of the United Mine Workers of Illinois opened the biennial convention of the orgamzation here today

President Frank Farrington was on posed by a faction which has announced that if its program fails to corry through the convention it intends to call a special district convention to file charges against state officials and attempt to have them removed from office. Approximately 400, delegates were here for the opening of the convention. The radical element claimed to have the support of about one fourth

of the delegation. Freeman Thompson of Springfield. acknowledged leader of the radicals, gent strike of last August was not present. Thompson is prodent of Sub-District Number 4 He :

Use the Old-time Sage Tea and petitions for a special convention. Sulphur and Nobody Will know.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked just a few applications of Sage Tea a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time for the increasing in size, they are always increasing in size.

Thousands of folks recommend this really to store the increasing in size. recommend this ready-to-use preparation, because it darkens the hair beau-tifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair chise disappears; after another application bers or two, its natural color is restored

SAVES GREY'S SIGHT

WASHINGTON - The sight of Viscount Grey, former British ambassador to the United States, is reported to have been saved by the skillful diagnosis of Dr. Wilmer, famous Washington oculist. Lord Grey was slowly becom-ing blind, it is said, when he visited Dr. Wilmer. The physician believed the trouble arose from a decayed tooth. Lord Grey had the tooth removed and his sight is now improving.

Candlemas Day.

On Candleinas day the Christmas decorations are taken down in the churches, as it is the Feast of the Purification, or the Presentation of Christ in the Temple. The term Candiemas is used owing to the practice of the early church, when lighted candles were carried in the procession in memory of Simcon's words at the presentation of the infant Savior: "To be a light to lighten the Gentiles."
